"Generally speaking, the best news paper is the one which secures the best advertising," Mr. Finn continued, "And the best advertising is what beins make it the best newspaper. Truth is the slogan of the convention. Truth is the slogan of the newspaper that hopes to win the most insting success the widest influence.

"We have seen almost overnight newspaper advertising advertising and merchandising successes that would have been deemed incredible ten years ago. And these successes were solid they stayed put.

"Undoubtedly the greatest things that newspaper can do for advertisers for the business world, for humanity is to spread the gospel of optimism to chart a straight course of confidence. A newspaper that deals in unquieting rumors, that dispenses gloom and that is always on the hair trigger of uncertainty defeats the advertiser and defeats itself.
